Additional webinars coming soon!

This webinar will discuss the rights of students with disabilities, with an emphasis on children with brain injuries — including those with post concussion symptoms. The presentation will focus on the federal special education law (IDEA) and discrimination laws (504 and ADA), and practical strategies for using these laws to obtain services for children with brain injuries.

Bruce Goldstein is senior partner with the New York State law firm of Goldstein, Ackerhalt & Pletcher, LLP, a firm focusing its practice in the areas of special education, disabilities law, estate planning and special needs trusts. He possesses over 30 years of experience and is a nationally known speaker.

**Please note that there is NO charge for this webinar, and CME credit will not be offered.*
