

Field Medical Doctor, Bureau of School Health/SH Reproductive Health

Job ID: 277208

of Positions: 2

Civil Service Title: CITY MEDICAL SPECIALIST (PART- TIME)

Title Code No: 53040 Level: 01

Title Classification: Non-Competitive

Proposed Salary Range: \$73.37 - \$78.59 (Hourly)

Work Location: 42-09 28th Street

Division/Work Unit: SH Reproductive Health

Job Description:

The Office of School Health (OSH) is a joint program of the Department of Health and Mental Hygiene and the Department of Education responsible for promoting the health of the 1.3 million school children enrolled in approximately 1,800 public and non-public schools in New York City. This is achieved through a combination of public health initiatives, case management, education and direct clinic services. School physicians have been serving the students of NYC for over a century.

DUTIES WILL INCLUDE BUT NOT BE LIMITED TO:

This position offers to the interested physician the opportunity to help address the clinical and public health needs of adolescents in NYC high schools.

The physician will work with the innovative Connecting Adolescents to Comprehensive Health Care (CATCH) Program, which provides select reproductive health services to adolescents in select NYC high schools.

In addition, the physician will provide medical care and public health services through additional programs offered to adolescents by the Office of School Health.

Under the supervision of the High School Supervising Physician, the Adolescent School Health Physician's responsibilities will include but are not limited to:

- Provide CATCH reproductive health services in select high schools.
- Perform mandated physical examinations (New Admission Exams, Sports Physicals, and Working Paper Physicals).
- Function as a liaison for students with community health providers to resolve medical issues that affect school performance.
- Support the development and implementation of initiatives that promote positive health behaviors and reduce high risk behaviors in the adolescent population.
- Serve as a consultant to the school nurse and administration on school related health concerns.
- Provide clinical assistance in the event of an environmental or communicable disease occurrence.

- Function as a liaison for students with community health providers to resolve medical issues that affect school performance.
- Support all medical initiatives established by the Office of School Health, e.g. programs and protocols in asthma, reproductive health, obesity and diabetes.
- Maintain good public relations and communicate effectively within the school community and community-based organizations.
- Keep abreast of health management policy statements and emerging clinical research related to school health.
- Participate in OSH research activities.
- Work within the mandates, policies and protocols of the Office of School Health.
- Attend all mandated DOHMH and OSH trainings.
- Attend all program meetings and Continuing Medical Education Classes provided by the Office of School Health.

Minimum Qualifications/Requirements:

Possession of a valid license to practice medicine in the State of New York; and either:

- a) Valid Board Certification issued by the appropriate American Specialty Board in any specialty area required by the agency; or
- b) Current approved application on file for admission to the certifying examination given by the appropriate American Specialty Board in any specialty area required by the agency.

To be assigned to Assignment Level II, individuals must have, in addition to meeting the minimum qualification requirements for Assignment Level I described above, one year of satisfactory experience practicing in the specialty area.

To be assigned to Assignment Level III, individuals must possess:

- a) A valid license to practice medicine in the State of New York; and
- b) A Master's degree in Public Health, or equivalent Master's degree, including or supplemented by graduate credits in epidemiology and biostatistics. Completion of Epidemic Intelligence Service program of the Center for Disease Control and Prevention may be used to substitute for this Master's degree; and
- c) At least two years of satisfactory experience after receipt of the Master's degree, or equivalent, in the practice of epidemiology. Specialty Board Certification or eligibility may be substituted for one year of this experience.

To be assigned to Assignment Level IV, individuals must possess:

- a) A valid license to practice medicine in the State of New York; and
- b) Completion of an approved residency program in an accredited hospital, including three years of experience, in either internal medicine, or family practice, or pediatrics, or another related specialty area required by the Department of Health and Mental Hygiene; and

c) Valid board certification or board eligibility issued by the appropriate American Subspecialty Board in Infectious Disease, Pulmonary Medicine, or a related subspecialty; and

d) Completion of an approved fellowship program in an accredited hospital, including two years of experience, in either infectious diseases, or pulmonary medicine, or another related subspecialty required by the Department of Health and Mental Hygiene.

Preferred Skills:

- Effective communication and interpersonal skills
- Proficiency in internet usage and Microsoft Office (Word, Excel)
- Board Certification in Pediatrics or Adolescent Health
- Master's Degree in Public Health (MPH)

Additional Information:

****IMPORTANT NOTE TO ALL CANDIDATES:**

Please note: If you are called for an interview you will be required to bring to your interview copies of original documentation, such as:

- A document that establishes identity for employment eligibility, such as: A Valid U.S. Passport, Permanent Resident Card/Green Card, or Driver's license.
- Proof of Education according to the education requirements of the civil service title.
- Current Resume
- Proof of Address/NYC Residency dated within the last 60 days, such as: Recent Utility Bill (i.e. Telephone, Cable, Mobile Phone)

Additional documentation may be required to evaluate your qualification as outlined in this posting's "Minimum Qualification Requirements" section. Examples of additional documentation may be, but not limited to: college transcript, experience verification or professional trade licenses.

If after your interview you are the selected candidate you will be contacted to schedule an on-boarding appointment. By the time of this appointment you will be asked to produce the originals of the above documents along with your original Social Security card.

****LOAN FORGIVENESS**

The federal government provides student loan forgiveness through its Public Service Loan Forgiveness Program (PSLF) to all qualifying public service employees. Working with the DOHMH qualifies you as a public service employee and you may be able to take advantage of this program while working full-time and meeting the program's other requirements.

Please visit the Public Service Loan Forgiveness Program site to view the eligibility requirements:

<https://studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation/public-service>

To Apply:

Apply online with a cover letter to <https://a127-jobs.nyc.gov/>. In the Job ID search bar, enter: job ID number # 277208.

We appreciate the interest and thank all applicants who apply, but only those candidates under consideration will be contacted.

Residency Requirement:

New York City Residency is not required for this position
