The 10th Annual Metropolitan New York/New Jersey Pediatric Board Review Course

Agendas

Overview

Designed to prepare candidates for their pediatric board examinations, the Metropolitan New York/New Jersey Pediatric Board Review Course will provide learners with a review of pertinent topics and specialties in pediatrics. The 2 1/2 day program will include lectures and slides presented by a distinguished panel of experts in the field of pediatrics. In addition, participants will receive a binder and a thumb drive containing slide kits and notes pages that correspond with each presentation.

Target Audience

The course is targeted to residents, fellows, and attending pediatricians who are preparing to sit for the Pediatric Board Certification Exam.
