

**2015 Annual Leadership Forum
March 12 - 15, 2015**

PRIORITIZATION OF 2015 ADOPTED RESOLUTIONS

RESULTS

At the close of the 2015 Annual Leadership Forum, Sunday, March 15th, all voting members present were invited to select the Top 10 resolutions they felt were of most importance to the grassroots of the Academy. Of the 206 eligible voting members present, 156 responded (76%). The following shows the Top 10 resolutions based on the number of votes received. Also noted is the district from which the resolution originated.

Top 10	Res #	District	Title
1	12SA	IX	Addressing the Legal and Mental Health Needs of Undocumented Immigrant Children
2	108	II	AAP Terminate Sponsorship(s) on HealthyChildren.org of Companies that Produce Soft Drinks and Sugar-sweetened Beverages
3	54	III	Use of Telehealth to Extend the Pediatric Medical Home
4	63SB	III	Screening and Toolkit for Poverty
5	29SA	VIII	Marijuana Manufacturer Responsibility in Limiting Exposure to Individuals Under Age 21
6	109	VII	Sugar-sweetened Beverage Company Sponsorship of the AAP
7	62.64SB	IX	Universal Screening for Hunger/Food Insecurity During Office Visits
8	10	X	Eliminating Triple-digit Payday and Car Title Loans
9	28SA	VII	Prevent Marijuana Exposure for Children
10	93	VI	Executive Director Lodging Expenses at District Meetings

2015 Resolutions
RESOLVEDS OF THE TOP 10 RESOLUTIONS
Resolves are given by rank order for the 10 high priority resolutions.

- 1) Resolution #12SA Addressing the Legal and Mental Health Needs of Undocumented Immigrant Children**

RESOLVED, that the Academy advocate for assuring comprehensive due process, medical and mental health evaluation, and treatment in an appropriate timeframe for all children facing deportation, regardless of country of origin or whether arriving accompanied or alone, and to eliminate prolonged detention of children and their families, and be it further

RESOLVED, that the Academy develop resources for pediatricians on the mental health challenges faced by immigrant and refugee children, including appropriate screening tools for anxiety, post traumatic stress disorder, trauma and depression.
- 2) Resolution #108 AAP Terminate Sponsorship(s) on HealthyChildren.org of Companies that Produce Soft Drinks and Sugar-sweetened Beverages**

RESOLVED, that the Academy terminate sponsorship(s) on HealthyChildren.org of companies that produce soft drinks and sugar-sweetened beverages and not accept sponsorship from any other such company as a corporate sponsor of the HealthyChildren.org website.
- 3) Resolution #54 Use of Telehealth to Extend the Pediatric Medical Home**

RESOLVED, that the Academy develop an education plan related to telehealth, including support and technical assistance related to the best practice use of telehealth in the medical home, and be it further

RESOLVED, that the Academy work in partnership with other professional organizations and governmental agencies to develop guidance on how to incorporate telehealth into practice transformation, including such topics as developing a business case, maintenance of continuity, ensuring fair payment and advocating for safety and sustainability.
- 4) Resolution #63SB Screening and Toolkit for Poverty**

RESOLVED, that the Academy work to identify and implement a poverty screening tool for future incorporation into the Bright Futures Guidelines, and be it further

RESOLVED, that the Academy work to develop a toolkit for pediatricians to address poverty in their practices and their communities.
- 5) Resolution #29SA Marijuana Manufacturer Responsibility in Limiting Exposure to Individuals Under Age 21**

RESOLVED, that the Academy advocate for stringent state regulations surrounding the packaging and marketing of retail marijuana products for individuals under age 21.
- 6) Resolution #109 Sugar-sweetened Beverage Company Sponsorship of the AAP**

RESOLVED, that the Academy decline financial contributions from corporations and/or brands that sell and market sugary drinks to children, and be it further

RESOLVED, that the Academy form a taskforce or similar workgroup, informed by broad AAP membership, that will develop updated guidelines and recommendations regarding how best the AAP should interact with food and beverage companies that could reasonably be considered to market unhealthy products to children.

2015 Resolutions
RESOLVEDS OF THE TOP 10 RESOLUTIONS
Resolveds are given by rank order for the 10 high priority resolutions.

7) Resolution #62.64SB Universal Screening for Hunger/Food Insecurity During Office Visits

RESOLVED, that the Academy advocate and provide guidance for primary care pediatricians in implementing a standardized screening process for food insecurity in routine well-child care visits, including incorporation of the two-question USDA screening tool, and be it further

RESOLVED, that the Academy encourage pediatricians to become knowledgeable about resources and referral organizations that address food insecurity in their communities.

8) Resolution #10 Eliminating Triple-digit Payday and Car Title Loans

RESOLVED, that the Academy advocate for a maximum 36% interest rate cap on small-dollar consumer loans and the promotion of responsible lending alternative products and practices.

9) Resolution #28SA Prevent Marijuana Exposure for Children

RESOLVED, that the Academy advocate to prohibit recreational marijuana exposure for all children under 21.

10) Resolution #93 Executive Director Lodging Expenses at District Meetings

RESOLVED, that the Academy pay for all lodging costs for chapter and district executive directors who attend their district meetings.
